

## UNI-EX

### Handheld rechargeable EX PROOF LED work light

The UNI-EX is a sturdy, rechargeable COB LED work light for the professional user. The COB LED light provides a unique, powerful and completely uniform illumination.

The durable UNI-EX explosion proof lamp is shockproof to endure heavy impact and has an environmental protection rating of IP65. The shape and surface of the lamp provides a comfortable, ergonomic grip.

The turnable sturdy hook and strong built-in magnet ensures both hands are free for working. The flexible lamp head tilts up to 180 degrees.

UNI-EX is designed to be carried in a pocket or on a work belt via the built-in belt clip.

The lamp is recharged in the charging base which can be wall or desk mounted.

UNI-EX is supplied with both a mainlight and a toplight. The main light offers two-step operating options depending on the type and duration of the work being carried out: Step 1 = 50 %, step 2 = 100% light output. Up to 6 hours operation time.

The intelligent battery indicator at the back keeps you informed as to the battery level. To display the battery level during use, hold the on/off switch for 3 seconds.

#### TECHNICAL SPECIFICATIONS

- High efficiency COB LED / Spot: SMD LED (step 1/step 2)
- 150/290 lumen
- Spot: 95 lumen
- 190/380 lux@0.5m
- Spot: 350 lux@0.5m
- 6h/3h operating time
- Spot: 3h
- 3.2V/2800 mAh Lithium Iron Phosphate
- Charging time 4h
- IP65

#### Explosion proof certificate nos:

IECEX TPS 17.0003X

TÜV IT 16 ATEX 083 X

II 1G Ex ia op is IIC T3 Ga
