

# NOVA-EX R

## Rechargeable EX PROOF LED work light

The NOVA-EX R rechargeable work light provides complete flexibility anywhere where there is no access to mains power.

The NOVA-EX R explosion proof work light is a powerful COB LED work light providing bright illumination. It is designed with the newest state-of-the-art LED technology for the professional user.

The new COB (chip on board) LED technology provides a uniform illumination with a high CRI (colour rendering index) value which is close to daylight.

Depending on the work task in question you can choose between 2 light modes: 50% and 100%, respectively.

The body is made of diecasted aluminium and is shockproof to endure heavy impact. The NOVA-EX R has an environmental protection rating of IP65.

The adjustable stand can be used as a hanger and to position the lamp in the desired angle. It can also be used as a carry handle.

### TECHNICAL SPECIFICATIONS

High efficiency COB LED  
(step 1/step 2)  
750/1500 lumen  
1200/2400 lux@0.5m  
2h/4h operating time  
5m charging cable  
19.2 V/1400 mAh Lithium Iron  
Phosphate  
Charging time 2h  
14 W power consumption  
IP65

### Explosion proof certificate nos:

IECEx TPS 17.0001X

TÜV IT 16 ATEX 081 X
