

FERRET PRO

Multipurpose Wireless Inspection Camera and Cable Pulling Tool

AWARD
WINNING

Ferret Tools is creating the future with new thinking and innovation in smart inspection camera technology for Trades & DIY to help build an easier and safer work environment.

For those of you that care about having the most reliable and durable tools with the latest smart technology to help work faster, easier and safer, inspect with a Ferret.

THE FERRET PRO - PRODUCT INFORMATION

Multipurpose Wireless Inspection Camera & Cable Pulling Tool

The Ferret Pro, designed and engineered by Ferret Tools, is a professional and durable inspection tool, designed and engineered with award-winning features to help provide easier, faster & safer visual inspections and the ability to locate and pull in a cable in hard to reach spaces.

We've engineered new technology in the new model to bring you an App controlled variable focus lens, super-fast charge, Ferret always up viewing mode and a right angle adaptor. If you need to locate and pull in heavy duty cabling inside enclosed spaces then the Ferret Pro is the perfect tool. Ideal for any electrician.

THE FERRET PRO KIT INCLUDES

Padded EVA case

The Ferret Pro
IP67 rated camera

Flexible gooseneck
and short rod

Hook, magnet and
thread adaptors

Right angle adaptor

USB-C
charge cable

Spare O-rings and
Instruction manual

ALL THE AWARD-WINNING DESIGN & INNOVATION OF THE FERRET WiFi + NEW PRODUCT FEATURES & BENEFITS INCLUDE

APP CONTROLLED VARIABLE FOCUS LENS

Focus down as close as 2½" (6cm) to see fine detail.

Focus out to infinity for extra clarity.

Precision of detail using the app controlled variable focus lens

Focus from 2½" (6cm) to infinity

SUPER FAST CHARGE

Charge the Ferret Pro from flat to full charge in only 1 hour.

Versatility of use
Flexibility & convenience

FERRET ALWAYS UP VIEWING MODE

In the App setting screen you can select to have the image view either normal mode or always up mode.

In this mode no matter which way the Ferret camera is rotated, the image on the App is always the right way up.

RIGHT ANGLE ADAPTOR

Brass adaptor to allow the Ferret camera to face 90 degrees off centre without using the flexible gooseneck.

More viewing camera angle options
Better control in narrow spaces

WIRELESS, RECHARGEABLE & BUILT-IN WIFI HOTSPOT

The world's first wireless rechargeable inspection & cable pulling solution that provides a high resolution live stream with a wireless range of up to 50' (15m).

Convenience
Not limited in range by the length of a borescope camera

FREE & EASY TO USE APP

The easy to use, intuitive Free Ferret App allows you to have control over the camera. Connect to your smart device with our Free mobile app on Android and iOS.

Free and easy to use

720p HD STREAMING

You get crisp clear images with the 720p high resolution providing real time photo & video directly to your smart device.

Clearer image resolution

ADJUSTABLE BRIGHT WHITE LEDS

It easily glides into those confined dark places and with its bright white LEDs to help you investigate, locate or diagnose and fix those tricky problems.

Better visibility and quality illumination

DIGITAL ZOOM FUNCTION

If you want to view something closer, the Ferret App has a digital zoom feature.

Use 2 fingers to use the digital zoom to bring your image closer.
