

Series 3

simple

versatile

reliable

Series 3 features the best in simple and efficient doorbell kits. A Series 3 doorbell will provide everything you're looking for, plus that little bit more, with features you won't expect but soon can't live without.

Series 3 doorbells are designed to be simple, reliable and hassle-free. Thanks to Honeywell ActivLink™, they come pre-linked and ready to go straight out of the box, with uncomplicated, screw-free installation that means you can be ready to go in minutes. They even feature easy-open battery compartments, for complete ease of use.

Available in both portable and plug-in models, these Series 3 doorbells are just what you've been looking for, providing outstanding sound quality, reliable wireless connectivity and a 2 year product guarantee so you can simply fit, and forget.

LED Strobe indicators provide visual alerts, perfect for sleep mode or for when the doorbell can't be heard

Adjustable maximum volume of 80-84dB means that sound carries up to 60-80m

Choice of 4 or 6 crystal clear, digitally enhanced melodies

Up to 2 years battery life

Reliable wireless range of up to 150m
