THE FERRET

# CABLE RETRIEVAL SYSTEM

The Ferret provides a solution for every worker dealing with cables. If you are an electrician, you probably know the hassle of pushing or pulling cables through ceiling or walls. The Ferret does not bend or buckle, maintains its intended direction, and does not get caught on obstructions along the way. The Ferret is manufactured from glass fibre reinforced polymer.

FERELMF-4

FERELMF-8

FERELMHF

FERELMLWF

FERELMTEF

## Features
